# A POWERFUL NONPROFIT CLOUD VOICE SOLUTION

## Clearly Cloud for Nonprofit

### Unify Your Communications with ClearlyIP's Cloud Phone System. Offering a Large Set of Engagement Features Nonprofit Users Can Access Anytime.

Elevate engagement with your constituents, your volunteers and managing your donor relationships with Clearly Cloud.

Virtual Events. Customizable. Easy to set up. Web Conferencing. Screen Sharing. Next-generation nonprofit platform.

Use our simple online nonprofit cloud platform & give your good cause a great start. Small budget? Register you're nonprofit & get access to reduced pricing reserved just for nonprofits, along with special early access to new features and innovation.

### NONPROFIT PROGRAM
### ClearlyFirst

### Nonprofit 'Clearly First' Discount Program

ClearlyIP is Committed to Helping Your Nonprofit Organization Make a Greater Impact with Pre-Release Innovation

Our mission is to help accelerate your mission. Our nonprofit 'Clearly First' provides first access to new features and innovation on the Clearly Cloud Platform in return for a substantial discount for early adopter feedback.

To provide advanced insight on new solutions and services to improve productivity, communication, and collaboration within your nonprofit organization while keeping you secure.

**Offer Requirements:**
This offer cannot be combined with any additional offer or partner discount and is for new customers only that do not currently have Clearly Cloud service with ClearlyIP. Order must be selected for a minimum of 5 users, and purchased under a 3 year plan. After purchase, you must submit proof of 501(c) status. After submission is verified, we will refund/credit the difference and adjust your monthly recurring amount to match the offer above.
